Funeral Services Are Held Here For Accident Victim

Last sad rites were held Sunday afternoon at 2 o'clock at the Truckee Colonial Mortuary for 11 year old William Duncan Rose, son of Mr. and Mrs. Zeph Rose, who expired Thursday afternoon in a Reno hospital following a tragic accident near his home Wednesday evening.

Rev. George Symons officiated at the rites and music was provided by Mrs. Roy Rhoades. Interment was in the Truckee cemetery and pallbearers were all uncles of the deceased and included Charles Rose of Quincy, David Rose of Arcata, James Rose of Oroville, Orval Sanner of Sacramento, Delmar Scott of Oroville and John Williams of Reno.

Relatives and friends from all of northern California attended the services with scores of local neighbors. Among those from out of town were Bill's grandmother, Mrs. F. R. Williams of Reno and a great-great aunt, Mrs. Helen Jevons of San Francisco, who is 88, and a great aunt, Mrs. Helen Schaulis of Kansas. The chapel was banked with many floral tributes to show the high respect in which the bereaved family is held.

Bill was a native of Berkeley, born December 16, 1949 but the past five years were spent here where his father operates the Z Market. He attended the fifth grade in the Truckee elementary school, was a member of Troop 7, Boy Scouts of America and was an active member of the Little League.

Besides his parents, he is survived by three sisters, Diane, 8, Mary Kathrine, 6, and Caroline, 4. There are numerous other relatives, including several cousins, aunts and uncles many of whom are known here.

The boy accidentally strangled himself last Wednesday evening while playing near his home on a broken swing. In some manner, he got his head into a loop on the rope and choked before nearby neighbors and hastily summoned medical aid could reach him. He was alone at the time of the mishap.

First aid was given and everything humanly possible was done, but despite all modern methods applied in specialized rteatment, the little boy succumbed the following day.

The entire community was deeply shocked by the tragedy and extends sincere sympathy to the surviving members of the family.

Plan Playground In Gateway Park Area

Inspired by the tragic accident which claimed the life of 11 year old Bill Rose last week, neighbors and friends have started a movement to provide a modern, safe playground for the children in the Gateway Park area.

Richard Joseph, owner of the tract, has provided a large area in a block west of the hospital and has suggested that this be dedicated to the memory of the young victim. He also offered to assist financially in preparing the lot for a playground.

Neighbors in the vicinity also have been generous in the worthy movement and work is expected to start on the project this Saturday and perhaps eliminate hazards in which youngsters are apt to participate during the active vacation months.

Other donations are being accepted and work will progress just as far as these contributions and volunteer work will permit.

EMPLOYMENT OFFICE CLOSED IN TRUCKEE

The State Department of Employment announced Monday that all itinerant service in Truckee is being discontinued. All claimants and applicants for jobs should contact the department representatives in Community Hall, Tahoe City, beginning Monday, June 19 which will be continued every other Monday in that location until service is no longer justified.

TIMBER CLERK FOR LOCAL OFFICE SOUGHT

Assistant Ranger Norman Anderson of the Truckee office of the Tahoe National Forest announced that a timber clerk is needed and that applications for the position are being accepted.

The position is to be filled by a woman qualified in typing, bookkeeping, map reading and similar pursuits. Instructions will be given by the forest service personnel.

DIRECTORS MEET

TAHOE CITY—There will be a meeting of the directors of the American Red Cross at 7 p. m. June 24 at the El Cortez Hotel in Reno. Reservations should be in by June 20, Mrs. Marie Henry announced.

Teacher Home—

Miss Mary Tonini who has been teaching school in Longmont, Colorado is visiting with her parents, Mr. and Mrs. Elden Tonini.

Scholarships Given Local Students At Friday's Exercises

Awards and scholarships for outstanding students at the Tahoe Truckee High School were presented Friday.

The Bank of America achievement award went to Varien Frey in the general field of liberal arts, while certificates of award went to Timothy Risden in science and mathematics; Rosann Martin in fine arts; Varien Frey in liberal arts and Ellen Marie Rich in vocational arts.

Scholarships were presented as follows:

The Carol Ann Quilici Memorial, Cynthia Reynolds, $100.

Lake Tahoe Lions Club Ray Sorenson Memorial, Dan Chandler, $100.

Rainbow Girls, JoAnn Pomin, $150.

Bausch and Lomb Award for outstanding achievement in field of mathematics and science, Timothy Risden.

Four students, Varien Frey, Cynthia Reynolds, Timothy Risden and JoAnn Pomin earned life memberships in the California Scholarship Federation which entitled them to have a CSF gold seal on their diplomas.

Drewrey To Head Flying Group Here

A special meeting of the Truckee Tahoe Flying Club was held June 7 for the purpose of electing officers. Elected to the board of directors were: G. F. Drewrey, president; Jim Catlin, vice president; Richard Paddock, treasurer; Bob Seibold, secretary; Irv Waters, operations officer; Harry Eaton, assistant operations.

Two memberships are now open in the flying club. Anyone interested in learning to fly at a very nominal fee should contact one of the above officers. The club has available to its members a Aeronca two place plane and a four place Stinson station wagon.

INSURANCE FIRMS IN TRUCKEE MERGED

Fosten and Beverly Wilson announced this week that they merged their insurance business with the Tahoe Truckee Agency, Inc. The merger was made to offer better service to the clients of both agencies. By combining the detail office work of both agencies it is felt that more time will be left for personal service to the policyholders.

All members of both agencies will remain actively engaged in the business and will be available for personal consultation at all times. Offices of the combined agency will remain on the second floor of the Masonic Building with the phone number LUther 7-3503.

STUDENTS ENROLL IN LAKE MUSIC CAMP

Enrollment of junior and senior high school students in the University of Nevada's fifth annual Lake Tahoe Music Camp has neared the 150 mark, according to Dr. John Carrico, camp director.

June 20 is the deadline for enrollment of students, but teachers and directors may register during the summer months for various workshops.

Among those enrolled from Truckee are Timothy McLane, Betty Saarni and Fosten Wilson. Kent Fugazi of Kings Beach is also registered.

TROUT DERBY OPEN FOR ALL CHILDREN

Robert Moore of the Truckee Outdoor Sportsmen made it clear this week that the trout derby which started last Friday and which will continue through July 9, is open to all elementary school youngsters and not just those in Truckee.

Three prizes will be given for the largest rainbow, German brown and eastern brook trout caught in Sierra, Placer or Nevada Counties. All fish entered must be weighed in at the sporting goods department of Loynd's Truckee Drug, Moore said.

Tahoe Post Office Will Be First Class On First Of July

Raymond Holmquist, post office department regional director, has notified Postmaster Oliver Corona that the Tahoe City Post Office will be advanced to a first class post office effective, July 1.

The advance in class is being made on the basis of the adjusted postal receipts for the 1960 calendar year. The last advancement was made July 1, 1948 when the post office was advanced from third class to second class.

Postmaster Corona states, "the elevation of the post office to a higher classification is indicative of the rapid growth of the entire area during the past five years. The post office department is well aware of this rapid development and in anticipation of the postal needs of the area is constructing several new post offices in this region. The new office here is the latest example of our efforts to provide our patrons the service they need and deserve."

Driver Is Held On Narcotics Charge

Robert J. Adami, 24, a private in the army stationed at Letterman Hospital in San Francisco, was taken into custody by the California Highway Patrol Sunday near Norden on a charge of driving while under the influence of narcotics and having narcotics in his possession.

The arrest was made after a collision between the car driven by Adami and one operated by Mrs. Amy Jones, 46, Truckee in which both drivers were injured and taken to the Tahoe Forest Hospital.

Witnesses said Adami was driving at a fast rate of speed and forced other cars off the highway. He did not wait for inspection at the quarantine station, officers said.

If he is not held for civil prosecution, the patrol said, he will be turned over to army authorities.

Stolen Car

David Richard Brown, 42, San Francisco was arrested by the patrol Sunday and booked on charges of drunk driving and having a stolen car in his possession.

Youth Injured

Kemit L. Minor, 17, Fresno suffered minor injuries when a motorcycle he was driving was struck by a car near Tahoe City Sunday.

Two Hurt

Fred Luffy, 22, Tahoe City and Richard Gray, 20, Sacramento, suffered injuries near Kings Beach when the car driven by Luffy left the road and struck a tree.

DREWREYS PURCHASE DUANE'S DONUT SHOP

Mr. and Mrs. Garland Drewrey have purchased Duane's Donut Shop on the main street which has been renamed Fran's Donut Shop. The Drewreys are well known here and he is employed at the state department of agriculture's quarantine station. They own their own home at Gateway Park.

At present the shop is specializing in home-made donuts and coffee, with orders to take out.

Duane Freeman, who operated the shop for 15 years, announced that his future plans are uncertain.

TWO BABIES ARRIVE AT LOCAL HOSPITAL

Susan Margaret, daughter of Mr. and Mrs. Peter J. Kessey of Homewood was a diminutive 4 pounds, 14 ounces when she arrived June 11 at Tahoe Forest Hospital.

Mr. and Mrs. Earl Ellisen of Kings Beach welcomed their son June 13 at the hospital. The new arrival has been given the names of Eric Richard and his first weight was 8 pounds, 15½ ounces.

INCREASE IN MONEY ORDERS ANNOUNCED

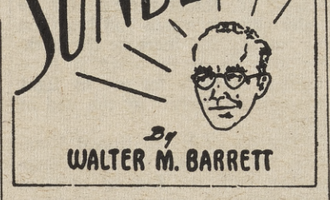
An increase in money order fees effective July 1 was announced by Postmaster Richard Higgins. In the future money orders from $1 to $10 will cost 20 cents; $10 to $50, 30 cents and those from $50 to $100, 35 cents, Higgins said.

There was also a change in the cost of special delivery packages.

McGihons Guests—

Mr. and Mrs. D. L. McGihon of Long Beach are the guests of Mr. and Mrs. Darol McGihon, their son and daughter in law.

SUNBEAMS



By WALTER M. BARRETT

It appears likely that the opposition to a scenic bridge across Emerald Bay at Lake Tahoe to replace the unsafe and often impassible highway, will come from people who seldom if ever use the route. We think Assemblyman Paul Lunardi has taken a very fair and courageous step in his resolution calling upon the division of highways to hold a public hearing for those affected and put the road where it will best serve the motoring public. Few, if any, residents or business people of the area favor the expenditure of millions of dollars to attempt to repair a route along the steep hillside which may or may not serve any better than the present road. A bridge, built in keeping with the surrounding picturesque area, in our opinion, would enhance rather than detract from the beauty. Naturally, it will make a change, but often changes are advisable when lives or convenience are at stake. The building of the four-lane freeway over the Sierra may have spoiled some of the scenic beauty of the rugged terrain, but certainly it found little opposition from the so-called nature lovers and is providing a much needed route for travelers. Rather than spoil the parks nearby, the Emerald Bay bridge would make it possible for thousands more to view the natural beauty which is provided by Emerald Bay and Lake Tahoe.

Airport Budget Is Presented; Work To Be Started Soon

At a regular meeting of the board of directors of the Truckee Tahoe Airport District, held Tuesday a preliminary budget for the fiscal year of 1961-62 as prepared by Cecil Edmunds, secretary-auditor of the district, was presented to the members of the board for consideration, reported John Houlgate, chairman of the board.

While the 1960-61 fiscal year is not yet completed, the records show that of $67,245.72 income to date, $58,542.57 has been spent on capital outlay, of which $48,198.60 was for land and $10,343.97 for engineering and soil analysis study. One thousand, nine hundred and six dollars and ninety one cents was spent on administrative cost which includes, salaries, legal, traveling and office expenses. This left a balance in the bank as of June 6, of $6,796.24. The final budget consideration and accept-

To Truckee—

Mr. and Mrs. E. A. Meiss came from Sacramento to their permanent address in Truckee.

Way Is Cleared To Hold Hearing On Emerald Bay Road

By Henry C. MacArthur

SACRAMENTO — (CNS) — The last barrier to interference with the state highway commission in its procedure of developing a new road on the west side of Lake Tahoe was broken when the state senate adopted assembly concurrent resolution 93, authored by Assemblyman Paul Lunardi, Roseville, and co-authored by State Senator John Begovich, Jackson.

Thus, after several years of bickering, delay and controversy, the highway commission can go ahead with approval of the legislature, with its plans for bridging Emerald Bay, and constructing a safe road on the west side of the lake to replace the dangerous, twisting and winding present route.

Tired of Dictation

Assemblyman Lunardi, somewhat tired of having the rest of the state dictate to the people living at Lake Tahoe as to where their roads should be located, introduced the resolution early in the session.

The resolution merely says that the highway commission is requested to proceed with the road in the same manner as it proceeds with highways in other sections of the state. That is, by holding public hearings in the area affected.

The commission, with the exception of one member, has shown

TWO ARE INJURED IN THREE-CAR MISHAP

Two people, including a former Truckee resident, were injured, neither seriously in a three-car collision at the foot of Donner grade last Thursday afternoon.

The accident occurred, according to the highway patrol when the east bound traffic stopped. The first of the three cars involved was driven by Al Lloyd, former Truckee resident now living in Death Valley. Lloyd stopped but his car was struck in the rear by one driven by Ruth Wesley of Martinez, which in turn was hit by one driven by Fred LaFranchi of Nicasion, Marin County.

Mrs. Lloyd suffered minor injuries and Mrs. Lilly Larsen, 75, riding in the Wesley car was taken to the Tahoe Forest Hospital with head inuries.

LANDERS CELEBRATE ANNIVERSARY HERE

Mr. and Mrs. Emery Lander celebrated their 23rd wedding anniversary June 12 with members of their family on Sunday and later also enjoyed an evening in Reno.

Mrs. Alice Lander of Vallejo, mother of Lander, Miss Alice Lander of San Francisco, Mr. and Mrs. Nick Kettenhofen and children, Carol, Ricky and Ronnie of Homewood and April and Douglas Lander were all present to wish the celebrants many happy years.

SERVICE OFFICER

The Nevada County veterans service officer will be at the justice court in Truckee Friday, June 16 between 10 a. m. and 3 p. m. and anyone desiring to avail themselves of his service may do so at the that time.

Osburn Is Selected On County Board Replacing Sherritt

Governor Edmund G. Brown has appointed two new members and reappointed another to the board of directors of the 17th District Agricultural Association, which operates the Nevada County fair at Grass Valley.

Reappointed was Gail Gordon of 111 Sierra Drive, Grass Valley. A Republican, he has been a member of the board nine years.

Gordon is a business representative for the Sierra Nevada District Council of the Carpenters Union. He and his wife, Delia, have two grown sons.

New members of the board are Clarence E. Osburn, a Truckee Democrat and William J. Mautino, also a Democrat, of Nevada City.

Osburn replaces James Sherritt of Soda Springs, who resigned. Osburn, who operates his own Buick agency, has been in business in Truckee for 20 years. He and his wife, Ethel, have five children.

Mautino replaces the late Walter Butz. He is a driver for the Bear River Lumber Company. Mautino and his wife, DeVere, have one daughter at home.

Anderson Heading Tahoe Branch Bank

The appointment of Ervin D. Anderson to head Bank of America's Tahoe City office, a sub-agency of the Truckee branch, was announced today by Manager William F. Keller.

Anderson advances to assistant cashier with the move, replacing James Morhain, who has resigned.

Anderson, who served as operations and lending officer at Williams since April, 1959, began his career with Bank of America in his native city, Red Bluff, five years ago.

He was assigned to the Anderson branch in 1957 as a note teller and served in this capacity until given lending and operations responsibilities in Williams two years later.

Anderson is a member of the Lions Club and has been active in American Red Cross and Chamber of Commerce work.

He and his wife, Glenda, have a one-year-old daughter, Katharine. The family resides in Tahoe City.

AUBURN MAN DIES IN KINGVALE ACCIDENT

Luther Edgar Eisenhower, 56, operator of an Auburn taxi service, was instantly killed in a 6:20 a. m. Sunday accident near Kingvale.

It is believed that Eisenhower went to sleep on his return to Auburn after delivering a fare to Reno, Nevada. The vehicle left Highway 40 abruptly and bounded along heavy boulders for 175 feet. The driver was thrown from the car, which was entirely demolished.

Eisenhower who lived in rural Auburn, is survived by a wife.

BABE RUTH LEAGUE MEETING SCHEDULED

Tomorrow evening, June 16 a meeting will be held in the Tahoe Truckee high school to organize a Babe Ruth baseball league and a Donner Lake Babe Ruth team. All interested are asked to attend.

The latter team is grateful for the successful benefit in their behalf held April 18 in Soda Springs Lodge when the tidy sum of $458.50 was realized from the party.

HELPING HAND CLUB WILL SPONSOR SALE

The Helping Hand Club will hold a rummage sale in the basement of the Church of the Mountains, Wednesday, Thursday, Friday, June 21 through 23, each day between 9 a. m. to 5 p. m.

In addition to a good supply of used clothing and household items there will be for sale new, handmade toddler summer outfits and women's purses.

Daughter Born

TAHOE VISTA — Mr. and Mrs. Andy Sorensen of Kings Beach received word of the arrival June 6 of a daughter to Mr. and Mrs. Ray McMillan of Altadena, named Lisa Ann. The little girl was also welcomed by four young brothers. Mrs. McMillan is the former Susanne Sorensen, well known in this vicinity.

Golf Course Will Be Opened With Ceremony Sunday

Plans for the grand opening of Truckee's new golf course, Sunday, June 18 are complete, according to members of the Shadow Valley Country Club.

The course will be open for play until 10:30 a. m. at which time it will be closed in preparation of the ribbon cutting.

The ceremony will begin at 11 with Father P. J. O'Neil giving the invocation. The local Boy Scouts will then raise and salute the flag, after which Tom Dolley will introduce various state and county officials from both Nevada and California.

First off the tee after the ribbons are cut will be three of California's top amateurs, George Gnau, Bob Sylvestri and Ed Castagnetto along with pro Sherman Ellworthy, all from the bay area. Spectators will be free to follow this expert four some to witness a real test of the new course.

Cocktail hour will begin about 3 p. m., followed by a delicious rib roast barbecue free of charge. Several of the clubs in Reno and Lake Tahoe along with some of the local merchants are donating for the cocktail hour and a complete list of these well-wishers will appear in next week's Sierra Sun. Members of the Shadow Valley Country Club will meet again Thursday evening for last minute details and plan to come out a little early in an effort to clean up the immediate area around the club house.

They also plan to spend the entire day Saturday getting ready. Everyone is urged to turn out for this gala affair on Sunday to help initiate this latest recreational addition to the area.

Little Leaguers In Area Open Season

In coordination with President Kennedy's proclamation designating June 11 to 17 as National Little League Baseball Week, the Tahoe Truckee Little League has begun its second season.

The Little Leaguers will hold two games each week on Mondays and Thursdays, with the minors beginning at 2 and the major games at 4 p. m.

Monday afternoon games saw the Tahoe City Red Sox down the Donner Lake Cubs in a close game 6 to 5. Tahoe City minors defeated the Donner Lake boys 23 to 16.

In another game at Truckee the Kings Beach Giants handed the Truckee Lions their first defeat 10 to 7. The Truckee minors routed the Kings Beach minors 35 to 9.

With the above games over and going into Thursdays action the league standings are as follows:

	Won	Lost
Tahoe City	1	0
Kings Beach	1	0
Donner Lake	0	1
Truckee	0	1

In Thursdays contest, the Donner Cubs will host the Truckee Lions at the Truckee field and Kings Beach. Both games should prove to be interesting, filled with thrills and chills each minute.

SUSANVILLE MAN IS WINNER OF TOURNEY

With a winning net score of 64, J. W. Coombes took the winners trophy in the Rotary Club sponsored tournament back to Susanville this past weekend.

The 18-hole handicap, played under a brilliant sky on Saturday, and under the threat of rain on Sunday, saw Shadow Valley Country Club members Angelo Besio and Betty Kielhofer win the low gross score trophy and the women's trophy respectively.

A large crowd enjoyed the barbecue staged by the Rotary Club at the Shadow Valley Clubhouse on Saturday night.

President Fosten Wilson and Tournament Director Barak Wright expressed their appreciation to those who assisted in the golf tournament this year, and gave assurance that this golf match will become a yearly event at the Shadow Valley Course.

SNOW RESOLUTION IS APPROVED BY SENATE

The assembly has joined the senate in approving a resolution SCR 68, Teale, calling upon the state department of public works to study the feasibility of providing snow clearance service on mountain roads fronting the main highways.

Assemblyman Paul Lunardi of Placer County, who presented the resolution in the lower house noted the state snowplows keep clear the main routes but nothing is done to remove snow on adjoining county roads.

BOARD MEETING

The board of directors of the Tahoe Truckee Little League will meet Friday at 7:30 p. m. at the high school. The public and parents are invited to attend the meeting.

AIRPORT
(Continued from Page 1)

ance will be made at the next regular meeting of the board in July, Houlgate said.

The proposed budget for 1961-62 which will include the 1960-61 federal funds already allocated to the district of$94,574 plus the cash in the bank as of July 1, plus the aviation gas tax refund and any district tax imposed, should enable the district to complete construction of the first phase of its overall plans, said Houlgate, which consists of clearing, grading, subbasing, and surfacing a 60 ft. x 5,000 ft. runway with a small taxiway and parking area, and fencing the same at an estimated engineering cost of around $116,000.

If the 1961-62 congressional appropriation for this airport is sufficient, additional work may be undertaken to widen and lengthen the runway and increase the parking area so as to bring it to a standard suitable for use by light commercial aircraft by the end of 1962.

"The board," continued Houlgate, "is working in close cooperation with the federal aviation authorities who are presently processing the district's project application for the $94,574 federal aid funds and are currently reviewing the final engineering plans for the work to be undertaken under Phase I."

Houlgate further stated the first phase of the work, the bids for which should be let within the next three weeks, should be completed by late August, at which time private planes can make use of the airstrip.

That interest in the Truckee Tahoe Airport is widespread is again evident from a gentleman in Metuchen, New Jersey, who in writing in reference to this airport, enclosed six souvenir air mail covers, to be autographed and mailed to him on the day the airport is dedicated.

This is similar to a request made from another party in Kenosha, Wisconsin sometime ago. It is expected there will be several more, Houlgate stated, before the day of dedication and all will be carefully handled and attended to as requested.

NEW POST OFFICE TO BE ERECTED SOON AT CRYSTAL BAY, NEV.

CRYSTAL BAY — Postmaster General J. Edward Day announced that a contract has been signed for the construction and lease to the post office department of a new building for the Crystal Bay, Nevada, post office.

The successful bidder on the lease was the Eccles Security Company, 518 South Virginia Street, Reno.

Ground breaking and construction of the new post office is expected to begin immediately, with completion scheduled about October 15. The lease will run for ten years with two five-year renewal options.

The modern new postal building will be located on the northeasterly corner of Calaneva Drive and Highway 28. It will provide 2,976 sq. ft. of interior space, a 186 sq. ft. loading platform, and 4,876 sq. ft. of hard-surfaced space for parking and truck maneuvering. Specifications call for new modern lighting and equipment, including a low, open patron-service counter.

Dear Johnny: Teacher told us to write you in the hospital. I am sorry you got ran over. I wasn't in a good fight ever since. Get better quick. Your best friend, Fred. P.S. I'll fight with one hand too.

Drivers kill and cripple more children than any disease!

Pneumonia, cancer, polio—we're fighting them and winning. But what can *you* do to curb the *worst* killer—careless drivers? You can write your local enforcement officials and say:

"I Support Strict Law Enforcement!"

Let your police and courts know you're behind their efforts to protect your children. For where traffic laws are strictly enforced and obeyed, deaths go down! Hundreds of communities have proved it.

By VIRGINIA O'BEAR

Most of us feel that summer has really arrived. Nearly everyone, with a few exceptions of course, have gone swimming and water skiing. I think I will wait until after the Donner Lake Regatta then go for a swim when the water is warmer.

* * *

There are a lot of excited youngsters at Donner Lake. School is out and many from here are going to swim at Olympic Village at Squaw Valley. As soon as they get home at noon, and have lunch, they take off for the lake to try and catch a big rainbow so they can compete in the Children's Fish Derby sponsored by the Truckee Outdoor Sportsmen. The children all seem to know where to take that "big" one, too. I have talked to quite a few near our place and they said they can hardly wait to get to Loynd's Drug store and show their fish!

* * *

Officers and barbecue committee members of the auxiliary of the Donner Lake Volunteer Fire Department met at the home of Mrs. Douglas Brodie Monday evening. After discussing bigger and better plans for the coming events for Miss Donner Lake and her court, the group outlined a tentative menu with another meeting to be held soon for final decision. The regular meeting will be at Glacier Gap Lodge at Maggie Avila's place near Rainbow and sounds like we will have a very delicious dinner. The date is June 15 at 7:30, this Thursday. After the conclusion of the meeting, Nancy served apple streudel, ice cream and coffee.

* * *

John Micander and Bob Johnston were Donner and Truckee visitors Saturday as they were busy checking our local airfield in preparation for a flight over our area around Bonanza time which is set for July 1 through 4. They will put on an air show in Grass Valley for the activities there and are trying to arrange something for our area. While here, they presented us with some entry blanks for the Maid of Nevada County Contest and we have several likely prospects in mind for our end of the county.

* * *

Received a nice letter from Jean Mooney this week and she plans to arrive at Donner very soon for the summer. Her nephews are here already and most of you remember Tom and Dan Murphy as both work at the state park every summer. Jean says she receives the Sierra Sun each week to keep up with things in our area and is quite concerned over the Donner Beach as so many of us are. Many property owners of Donner property living here only summers, are really worried as they heard that the beach is being subdivided, that it is being sold for a marina, that the state is taking it over, that a tax district will be formed, and that local residents are against procuring it because of higher tax rates. Well, we permanent residents are worried, too. We have a lot of feeling over that Donner beach at the west end and want to see it stay as a beautiful beach for the many people to enjoy. How we are going to keep it that way will be up to the people, so time will tell as I have not been informed with the latest on the beach project.

* * *

Mr. and Mrs. William Stark and sons are back at Donner Lake after spending the winter in Oregon. Bill is back working on the Prosser Dam project. Now, our son Mike has a playmate as he and little Billy are the same age and get along well together.

Received a newsletter from the Donner Lake Property Owners Association this week informing me of a meeting and elections on July 2, at 1 p. m. promptly at the west end of Donner Lake near the beach. There will be a report from officers, reports of committee chairman, and a resume of the secretary's minutes read of the September 4, 1960 meeting with the complete minutes posted 24 hours prior to this meeting, on a fence at the beach. Members in good standing will be allowed to vote.

BILL TO BOOST PAY OF LEGISLATURE PASSED

SACRAMENTO — (CNS) — The assembly has voted 58-9 to submit a proposal to the people to permit the legislature to set its own salaries.

To back up the measure, should it fail, the assembly rules committee also has approved a resolution which would boost members' per diems during the interim period from $20 to $25 a day.

The 58-9 vote came on ACA46 by Assemblyman Kilpatrick, Lynwood. Rather simple in language, the proposed amendment to the constitution provides merely that "members of the legislature shall receive no compensation, expense allotment or other remuneration as members of the legislature except as provided by law."

In other words, this would permit the legislature to set its own salaries. Presently, a vote of the people is necessary for a salary change.

The legislators presently receive a salary of $6,000 a year. A proposal to tie legislatuve salaries with those of superior judges in the five largest counties (average of the judges then was $10,050) failed on the 1958 election ballot. A proposal to increase salaries to $9,000 a year failed on the 1960 ballot.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that Tahoe Forest Hospital District, Truckee, California, will receive bids for furnishing the following commodity to said district:

No. 2 Furnace Oil—delivered on demand basis to said District at Truckee, California. Approximate quantity—18,000 gallons, from July 1, 1961 to June 30, 1962.

No guaranty as to quantity is made, and bids shall be in accordance with and responsive to this Notice, the instructions to bidders, and bid form, and shall be made on the Official bid form furnished by the District.

All bids shall be sealed and filed with the District Administrator-Purchasing Agent, Tahoe Forest Hospital, Truckee, California, on or before the 16th day of June 1961, at the hour of eight o'clock P. M. of said day, at which time and place bids will be opened and publicly read.

The District reserves the right to reject any and all bids, or to waive any informality or irregularity in a bid or the bidding. No bidder may withdraw his bid for a period to ten days after the date set for bid opening.

L. R. deGallery, your Telephone Manager in Tahoe City

INTRODUCING TWO NEW ITEMS TO LAKE TAHOE!

It is now our pleasure to introduce to the Lake Tahoe and Truckee areas two of the newest items from Pacific Telephone.

The first item is our step-saver interphone system. With the new interphone it is now possible to answer the door or call members of the family anywhere in the house. Any telephone in the house can now be the control center to summon via the newest in intercom systems. While any telephone can be the control center, it is not necessary to use a telephone at the answering point. The little interphone unit is powerful enough to allow anyone in a normal size room to reply hands free. Mothers, just think how pleasant to be able to answer the front door while perhaps cooking dinner in the kitchen and at the same time send someone else to the door the interphone way. Every member of the family can enjoy this convenience.

The second item presented for your convenience is the new bell chime. Now we have a new unit which can replace the normal telephone bell ring. The new bell chime can be changed from a pleasing chime tone to a loud bell so it can be heard if you go outside. As a third choice the bell chime can be toned low to a soft ring if preferred. The bell chime is indeed a new and exciting idea and can be installed for a very minimum charge.

Contact your Tahoe City Business Office for complete details. The business office representative will be happy to answer any questions or take your order today.

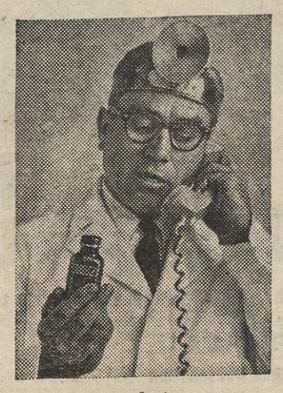
Ever wonder how a criminal can be picked up quickly — hundreds of miles from the scene of his crime? The police Teletype network helps make it possible. Set up and maintained by telephone people, the network links hundreds of law enforcement agencies in this and adjoining states.

When a crime is committed, police quickly send a description of the criminal over the network. This way, law enforcement officers are alerted to be on the lookout for the suspect.

Teletype service for police, as well as newspapers, business and the military, is just one of the many kinds of communications telephone people provide for this fast-moving world.

* * * * *



Moments count when a doctor is treating a child who has swallowed something he shouldn't have. And usually that something is of unusual composition. Today the physician can pick up a telephone, call the nearest poison control center and get immediate information on the treatment.

The centers are manned 24 hours a day by qualified technicians who answer emergency calls from doctors. They have extensive files on drugs, household products and other substances.

In the last few years hundreds of centers have been organized throughout the country. They are ready to help your doctor and hospital. It's the telephone that has made possible the poison control centers, one of the fastest growing new developments in the public health field.

STRIKES & SPARES

BY JOE WILMAN

KEEP A SAFETY LOOKOUT

Many a smashed finger or strained back is the side-product of an otherwise good bowling frame. Even though bowling is about the safest game you'll find, too many accidents occur because bowlers just aren't on the lookout at these two danger spots:

1. At the return rack: Always pick your ball up off the rack by placing both hands on the sides of the ball as I do in the illustration. Don't insert your fingers and thumb in the holes as this means extra strain on your bowling hand. Placing your hands on the sides of the ball also avoids any possible smashing of the fingers by a rolling ball returning to the rack.

2. At your starting spot: Always check the soles of your shoes before you begin your footwork. I've developed the habit of sliding on my left foot before I take my stance. This will tell me if the sole is clean and will slide easily. Sometimes, you pick up moisture or a bit of dirt that can stop you short or make you foul. It can even cause a pulled muscle or tenden in the leg or back.

Polio immunization — a recent memorandum from the California State Department of Public Health recommended a fifth polio injection one year after the fourth injection.

A fifth injection of polio vaccine is advisable — consult your physician or attend the clinic held each fourth Friday of the month at the old Truckee Elementary School in Truckee. Clinic dates for the summer are Friday, June 23; Friday, July 28; Friday, August 25; 12 noon until 1:30 p. m.

School is out—teachers are glad. Parents? Well, summer school may start for six weeks come June. Check with school.

Kings Beach School celebrated with beach picnic and swim.

Teachers of the Kings Beach School who are either retiring or leaving include Gladys Putynkowski, Brockway; Gloria Horn, Kings Beach; Lorene Goodrich and Dorothy Corbin.

New teachers for Kings Beach School include Mr. Strong for fifth grade from Brentwood; Miss Owens, first grade, and Miss Smith a combination grades.

Weekend guests at the Harry and Ceta Hooper home at Brockway were the Henry J. Riechers, Marysville, James F. Gilpatric, Yuba City, Mas Oji and Warren Tinsley. Sukiyaki—the greatest—was prepared for the Ojis.

Carson Chapel at Carson City was the setting for the May 28 wedding of James B. Fulton, Visalia and Virginia Hinds of San Francisco. Attending the wedding were Virginia's parents and sister, Mr. and Mrs. Ed Olts and Marcia of San Francisco; James' parents, Mr. and Mrs. Joe Fulton, Kings Beach. The newlyweds will reside at Tahoe Vista.

The Elks Lodge and the North Tahoe Fire Protection District picnic for the Junior Fire Department was termed a huge success by the officials. Diana Astle was the chief for a day—student in 5th grade at Kings Beach. Battalion chiefs, Mike Cook, 5th grade and Janie Hoffman, 4th grade; captains were Eddie Baker, 3rd grade; Charles Lambert, 4th grade; Tony Combs, 4-5 grade; Jeff Grundremann, 5th grade; Cathy Caspain, 6th grade; Estelle Howell, 8th grade.

Regular monthly meeting of the fire commisisons will be held at the fire house at Kings Beach on June 15 at 8 p. m. The public is invited.

Happy birthday, Johnny Hoffman on May 12. Party was enjoyed by guests Kenny Anderson, Chris Crow, Rhonda Brocklesby, Kelly McDonald, Kristen Clary. Mother, Chris Hoffman, enjoyed Johnny's party too because children's mothers were invited. Attending and enjoying cake and ice cream—and children's games?—were Millie Anderson, Pat Crow, Gen Brocklesby, Ginny McDonald, Mary Clary and Helen Chanda.

Chris Hoffman, reported the cake sale held at church was a great success and thanks all who participated.

Last meeting until September of "Our Lady of the Lake Guild" was held with president Chris Hoffman, presiding. Project discussed was to obtain rugging for the altar. Present at home of Helen Chanda, Carnelian Bay, were Alice McDonald, Pat Crow, Louise Antillion, Clara Parsons, Ruth Stelzreide, Mary Clary, Gen Brocklesby, Anna Burkhardt, Millicent Quartly, Virginia Cassela, Nola Ferrari, Dorothy Webb, Julie Van Ruden, Eileen Wilen, Paula Gurney and Father O'Neill.

Ann Cassela of New York is visiting niece, and husband in Kings Beach, Duff and Virginia Cassela.

Tom and Chris Hoffman of Tahoe Vista and children were Sacramento visitors last week. Picked up the furniture they had in storage the past three years. The new house will now really be home.

Dave Hall of Brockway is home after a week's hospitalization in Reno. Reports he is okay.

Stan and Pat Simmons and children Cheryl and and Reed of Kings Beach have moved to Reno. New 50' Mayflower trailer will be anchored at the County Road Trailer Park, Reno,—home.

Ray and Kitty Martin of Sacramento were recent visitors to his mothers' home at Brockway, Mr. and Mrs. Dave Hall.

Robert Conolley of Napa was a guest at Brockway at the home of his mother, Mrs. Minna Conolley.

La Zelle Marley of Tahoe Vista is visiting relatives in Wheatland and attending the graduation exercises of daughter, Sandra, in Woodland. Sandra will return with her mother for the summer.

Tony and Alice Amabile of Campbell were Tahoe visitors to cousins George and Iris Alerio. Joe and Lee Aversente also spent sev-

DRIVER RESPONSIBLE FOR MOST ACCIDENTS

A foible of human nature is to lay the blame for traffic accidents on anything but the driver.

"Too often you hear that the cause was 'that wicked curve in the road,' or 'it was raining and the road was slick,' or 'that signal was partly hidden,' and so on," said California Highway Patrol Commissioner Bradford M. Crittenden.

"The driver wants to think he was a victim of circumstances; that he was, in effect, caught in a situation over which he had no control.

"Interestingly, many of these accidents involved a driver who had been over the 'perilous' section of road or through the 'dangerous' intersection two, 10, or perhaps 100 times before. In other words, he was familiar with the potential trouble spots," Crittenden continued.

"Statistics for 1960 show that of 187,703 drivers involved in reportable accidents, 152,940 were residents of the county within which the accident occurred, a strong indication that unfamiliarity with roadway conditions is not a major factor in traffic accidents.

"Driver error caused most of these accidents. In attention, stubborn resistance to the need for reduced speed, deliberately ignoring warning signs such as 'curve' or 'steep grade' — these are the factors which lead to accidents.

"These facts clearly show that drivers hold the real key to reducing accident totals," the commissioner concluded.

TAHOE BRIEFS

(Continued From Page 4)

eral days at Tahoe Vista visiting the Alerios, Campbell residents and relatives. San Jose resident, Yo and Ida Tekita stopped to say hello to George and Iris at their Tahoe Vista coffee shop.

Mr. and Mrs. Bruce Johnson and daughters of Sacramento were Brockway visitors last weekend. While here checked the excavation for the home of Mrs. Johnsons mother, on Lakeview Drive. Mother, Mrs. Lael Margrove, and her aunt, Mrs. Mary Phippeny, are en route to Lake Tahoe from Nairobi, Africa, via India, England and eventually home.

Mrs. Margrove spent the past year with her sister in Nairobi and traveled extensively throughout Africa during that time. Mrs. Phippeny is information officer for the state department in Nairobi but will be on a three months leave. During her stay, the construction of her permanent home will be completed.

Weekend guests of Don and Nelle Barkhurst of Brockway were Commissioner George Wilson and wife of San Francisco.

Michigan guests of Carlton and Edna Konarske of Incline Beach were Mr. and Mrs. George Pontiac who enjoyed a ten day visit.

MYF president, Richard Webber, of Kings Beach, reports a very successful dance at Carpenter's Hall on Friday night. Mr. and Mrs. Ted Draney and Mr. and Mrs. Jim Mandeville chaperoned the young people. Refreshments completed the evening.

Potentate's breakfast was held at Crystal Bay Club honoring Lillian Linnecke, wife of Potentate Harry Linnecke of Kerak Temple, Reno, and Divan, by El Ta Ho Shrine Club and President and Mrs. Bud Mandeville. Approximately 100 guests were present to pay tribute to Mrs. Linnecke.

President Mandeville presented Mrs. Linnecke with a lovely engraved silver tray. Mrs. Linnecke in turn presented Bud Mandeville and Ray Plunkett with colored photos taken with the imperial potentate when he met with them at a recent luncheon at the Crystal Bay Club.

Stated business meeting is set for Friday, 8 p. m. at the Crystal Bay Club. Tommy Gore says—get there.

Last executive meeting of the VFW auxiliary was held Thursday night at the home of Pearl Moore at Tahoe Vista. President Pearl Draney and Bernardine Stavor met with Pearl Moore for future plans.

Rummage sale is scheduled for Friday and Saturday, June 16 and 17, at the Kings Beach Methodist Community Church according to chairman Pearl Draney.

Hostess on Tuesday evening to two tables of bridge at her Carnelian Bay home, Helen Chanda entertained Julie Von Ruden, Bertha Burghardt, Vera Moser, Mae Critchley, Adeline Gunkel, Ginny Durnerin and Nora Ferrari. High prize was won by Vera Moser. Refreshments were served with conversation following the game.

Elks Club grounds were cleaned the Thursday evening prior to the Junior Fire Department picnic by members of the Elks Club and the North Lake Tahoe Fire Protection District and the Firebelles of North Lake Tahoe. Potluck supper was enjoyed by the workers, Firebelles, Georgia Abrahamian, Minnie Wagner, Pearl Draney, Ella Rae Fulton, Audrey Welch, Helen Wade, Beulah Astle, Jean Little, Hannah Reynolds, Eugenia Fry, Mar Howell; Tom Hoffman, Bill Combs, W. Wade, Tiger Loea, Jim Astle, Shorty Astle, Charles Rich, Ernie Lepire, Joe Fulton, Doug Ingram, Ben Pomeroy. Entertainment was provided by Jimmy Chastain and Frank Austin.

Felines met for the last time till fall on Tuesday evening at dinner at the Buckhorn, with president, Marian Mueller, presiding. Guests were Betty Vance and Wilma Gordon.

Mike and Wilma Gordon and sons have returned to Crystal Bay for the summer from Palm Springs.

HUNTING RULES WILL HAVE LITTLE CHANGE

Regulations for the 1961 hunting season were adopted by the fish and game commission at its two-day meeting in Sacramento May 25 and 26. Greatest public interest centered around deer seasons. Dates of the deer seasons closely approximate those of last year.

The early or coastal season this year will be August 5 through September 24. Bag limit is two bucks, forked horn or better.

The late inland season will be September 23 through November 5, one buck, forked horn or better, except two bucks, forked horn or better, in all of Del Norte and Trinity Counties, those portions of Humboldt and Colusa Counties that are in the late season, that portion of Siskiyou County west of Highways 97 and 99, that portion of Shasta County west of Highway 99 to its crossing of the Sacramento River at Redding and those parts of Tehama and Glenn Counties west of the Sacramento River.

This two-buck area in the late season is much as it was last year, but removed from the two buck area are eastern Tehama County and parts of Shasta and Butte Counties that were in the two buck area last year.

The commission voted down a proposed hunting closure in the Telephone Flats area of Modoc County.

Archery pre-seasons on deer will be July 22 through 31 before the early season and September 9 through 18 in the late season area.

There will be one statewide bear season, October 1 through January 1 with an additional season for bowhunting **only** on bear, January 2 through 15. Humboldt County will remain open for bear all year. "Sport" trapping of bear was prohibited and archery regulations were amended to forbid explosive arrowheads in the taking of any animal.

CHURCH NOTES

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read Sunday at Christian Science churches.
The superiority of divine law over the laws of matter will be emphasized. Included in the Bible readings is the account in John (6) of how Christ Jesus walked on the sea to join his disciples in their ship.
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read (p. 273): "God never ordained a material law, it would oppose the supremacy of Spirit, God, and impugn the wisdom of the creator. Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws."
The Golden Text is from Revelation (11): "We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned."

DONNA BENNETT IS WED AT OAKLAND

The Plymouth Congregational Church of Oakland was the setting June 17 for the evening wedding of Donna Rae Bennett to Robert L. Gilmore, with Dr. Mueller officiating.

The bride was given in marriage by her father, H. T. Bennett and was attended by her maid of honor, Loretta Barrious and bridesmaids Mrs. Marvin Larson and Miss Penny Silva. The best man was Kenneth Teakle with ushers Marvin Larson and Henry Thomas Bennett.

A full length gown of silk organza with chapel train was selected for the bridal gown. The skirt and neckline were trimmed with roses of lace and seed pearls and appliqued lace enhanced the finger tip veil. A bouquet of small roses completed the ensemble.

Mrs. Gilmore is a graduate of San Francisco State College and a member of the Kappa Theta Sorority. She is the daughter of Mr. and Mrs. Henry Thomas Bennett of Oakland and summer residents in the Donner Lake tract.

The benedict is a student of the University of California. Following the nuptials a reception was held in the church edifice and the young couple left later for Yosemite Valley. They will be at home in Berkeley on June 23.

TALK ON NEW RESORT AREA FEATURES MEET

TAHOE CITY — Peter Klaussen who lists himself as the Tahoe representative of Alpine Meadows of Tahoe, Inc. told Tahoe City Rotarians at a recent dinner meeting, of a proposed new ski area back of Deer Park Lodge and three and one half miles up Bear Creek. He said plans call for one large and two smaller ski chair lifts up Ward Peak with the largest on up to an elevation of 8,600 feet.

The road and lodge design is expected to be completed by July of this year. The 640 acres of skiing area has been leased from the Southern Pacific Railroad Company, the corporation owns another 380 acres and there is room for 56 lots for private homes, Klaussen said.

The $700,000 project has been financed mostly by San Franciscoans who have purchased stock in the enterprise.

Skiers patronizing the new facilities will be housed elsewhere until such time when some other capital builds a hotel on ground for sale or lease adjoining Alpine Meadows. Klaussen brought a movie film that showed skiing on the side of Ward Peak and surrounding area. Rotarian Ted Stollery was program chairman. Ralph Bly presided over the meeting on June 6 at Tahoe Inn when but 22 members attended.

WORK PROGRESSES ON PROSSER DAM

Construction on the Prosser Creek Dam goes into its second season as underground work is being completed and a good start has been made on the part of the dam which will be made visible to the public.

Max R. Johnson, construction engineer for the federal bureau of reclamation, said the work is slightly behind schedule but the pace is expected to quicken considerably during the next few weeks.

Although the dam is not scheduled for completion until the fall of 1962, it will be far enough along to start storing water by the end of the present construction season.

The foundation of the dam, four miles northeast of Truckee, is being prepared by pumping grout, a soupy mixture of cement and water, into the ground under pressure. It is forced into holes which go down as far as 110 feet. The grout will fill in air spaces in the ground and combine with gravel and rocks to form a solid concrete like mass.

The central part of the dam will be composed of an imprevious core of clay taken from a borrow pit near the damsite.

The dam will create a reservoir with a normal storage capacity of 30,000 acre feet of water.

Flood Control

Vernon J. Hansen, project manager for the bureau of reclamation, said the principal purposes of the dam will be to provide flood control for the Reno area and to improve fishing conditions in the Truckee River.

Creation of the new reservoir will make it possible to maintain a more uniform flow.

The overall cost of the project is estimated at $5.9 million. The earthfill dam is being built by the R. A. Heintz Construction Company of Portland, Oregon, under a $2,181,000 contract.

About 70 men were employed on the project last month and the payroll will increase to between 75 and 100 men later in the season.

The dam is the first unit of the $52 million Washoe Project.

RICHARD ASTLE NOW STATIONED AT BAY

SAN FRANCISCO — (AHTNC) — Specialist Five Richard I. Astle, 29, son of Mr. and Mrs. Ivan A. Astle, Kings Beach, recently was assigned to the Sixth U. S. Army headquartres' Flight Detachment at the Presidio of San Francisco, Calif.

Specialist Astle, a twin-engine aircraft mechanic, was previously stationed in Augsburg, Germany, with the 24th Infantry Division.

He was graduated from Tahoe Placer Union High School in Tahoe City before entering the army in August 1949.

Health Hazard On Road Under Study

The possible health hazards to road construction crews from the dusts, fumes, noise and vibration caused by heavy equipment will be measured this summer on the Highway 40 freeway construction project over the Donner Summit, Area Sanitarian Richard Walker, announced.

The study, to be conducted by the bureau of occupational health, has been prompted by questions as to whether increased mechanization in highway construction and other earth moving projects creates hazards to health, Walker explained.

The bureau has received several complaints concerning illnesses reportedly caused by dusts generated by dry drilling on highway construction, and of ear damage by the noise of certain pieces of heavy equipment.

Similar investigations have been made on tunnel construction, and for a major railroad company.

During the 10 to 12 day field study in late June, the dusts, fumes, noise and other possible hazards encountered by construction crews will be measured and evaluated. If working conditions are found that may result in eventual illness or disability, the contractors will be notified and assisted in taking the necessary steps to eliminate or control the hazard, Walker said.

This type of investigation, aimed at the prevention of job-induced illnesses and disability, is a routine function of this department. Over the years this program has played a major part in improving the health and increasing the life expectancy of California's working men and women.

The study will be conducted in cooperation with the state division of highways and the state division of industrial safety.

Dr. Craig Burns and Mr. Fred Ottoboni are in charge of this area for the program and will be on the Summit July 7 to July 14 for these studies, Walker said.

itself to be a group of men not susceptible to outside influences as evidenced in the case of location of the proposed west-side freeway in Sacramento. Tremendous pressures were put on the commission members to route this freeway across the river in Yolo County to save a few moldering, broken-down buildings which no one has paid any attention to for nearly a century. The commission, however, did not succumb to the pressures, and adopted a west-side route which it determined would best serve the public in this modern age.

Modern Age at Tahoe

A modern age has arrived at Lake Tahoe as well. The people in that area, according to Assemblyman Lunardi, want a low-level highway, which will give them convenient access to all areas of the lake the year-round. The present road is closed most of the winter, and is dangerous in the summer as well. It lies on an earthquake fault, and is subject to land-slides at all seasons of the year. Several persons have been killed in road maintenance work.

Under the resolution, the commission can set plans immediately to hold hearings, make surveys, and proceed with work when funds are available, without interference from other state agencies, such as the state park commission, which has been opposed to bridging Emerald Bay and running a road through two state parks.

Hands Off Indicated

While the resolution does not say so in so many words, it virtually tells these agencies to stay out of the controversy and let the division of highways do its work without interference. The implication also applies to outside organizations which are attempting to thwart the wheels of progress in the Tahoe area.

Assemblyman Lunardi and Senator Begovich should be congratulated on putting this resolution through the legislature. They stand as real servants of the public in placing the decision of location of the road where it belongs, in the hands of the state highway commission after that body determines the sentiment of the people in the Tahoe area.

BIDS ARE OPENED FOR FRONTAGE HIGHWAY

The state division of highways received a low bid of $222,829.80 Wednesday for 1.1 miles of frontage road north of U. S. Highway 40 in Nevada County, beginning about two miles west of Cisco, according to officials at the Marysville district office.

Southerland Construction Co. of Auburn was lowest of two bidders.

The two-lane road will connect with the existing highway, as well as a future freeway, in order to provide access to the new camping facilities that will be built to replace the present Big Bend camp ground which will be eliminated by the freeway.
ignment and will not affect highignment and will not atteft highway traffic. The job is expected to be completed sometime this fall.

MRS. CHARRISON IS VICTIM OF ACCIDENT

KINGS BEACH — Mrs. Harry Charrison returned to her home at Kings Beach Tuesday from Tahoe Forest Hospital where she had been rushed after breaking her leg in two places.

The accident occurred recently while walking in her garden and Mrs. Charrison suffered a similar break in the same leg some time ago.

Her friends are hoping for a speedy return to good health.

JACK TELFER WILL BE SPEAKER AT CHURCH

Jack Telfer, a network radio and TV commentator will present a program in the Church of the Mountains titled, "Africa and What It Means to Americans" to begin at 8 p. m. Sunday, June 18.

The lecture explains many facts of African and American interests and will prove to be one of the outstanding events for Truckee.

DELAY ACTION

The Truckee Donner Chamber of Commerce meeting at Smart's on Wednesday delayed until the next meeting a vote on whether or not a consulting engineer shall be employed to make a survey of the area to determine the feasibility of incorporating the town. Other civic matters occupied members at the busy session presided over by Ivan Tofft.

THANK YOU

Many wonderful capable people did everything in their power to save the life of our son, Bill. Many friends, neighbors and people we didn't even know have extended to us an extreme degree of kindness, sympathy and help. For those whom we have not had the opportunity to thank personally, we are taking this means to let you know your efforts are very greatly appreciated. You helped immeasurably in easing our sadness.

Thank You,

SANDRA FELLOWS IS HONORED BY SCHOOL

Sandra Fellows, daughter of Mr. and Mrs. Raymond Fellows of Carnelian Bay, a junior next fall in the Tahoe Truckee High School has been selected to attend a Leadership Training Course at the University of California at Berkeley, June 25 through July 15, under the sponsorship of the Junior Statesmen Foundation of San Francisco.

Sandra was recommended for the course by Harold Drummond and Mrs. Wesley Sauby. She is vice president of the junior class, G.A.A. officer, C.S.F. member and member of the ski team.

The Junior Statesmen movement is designed to foster among high school students an understanding of, and desire to participate in, the workings of American government. It stresses an appreciation of constitutional principles, familiarity with governmental machinery, and personal integrity. Its basic theory is that democracy can only work if each citizen assumes an intelligent role in governmental affairs. The movement is non-profit, nonpartisan, and non-sectarian.

MOTHER OF NORDEN RESIDENT EXPIRES

Mr. and Mrs. Kirby Schull and sons of Norden returned from Marysville where they attended last rites last Thursday for his mother, Mrs. Nellie M. Schull, aged 67 years.

The deceased was a native of Colorado and had many friends in this vicinity where she and her late husband, William lived for a number of years. Another son and two daughters are also survivors. Interment was in the Sutter County cemetery.

TRIP TO ISLANDS

Mr. and Mrs. Robert Hall and Miss Renee Hall will leave June 18 for Long Beach where the latter two will leave by airplane to Honolulu, Hawaii as a graduation gift from the parents to their daughter. July 1 they will return to Sacramento where Miss Renee will join Miss Donner Lake on a television program.

MARRIED

Miss Ina Hoffman became the bride of Frank Wright at a ceremony performed Saturday, June 10 by Rev. George Symons in the United Church of Christ at Squaw Valley.

Visitors From South—
Mr. and Mrs. Lauren Russell have been hosts to Mr. and Mrs. Arthur LeCuyer, her parents from Los Angeles.
